10:30 am	(1114) SYMPOSIUM: MS Treatment Issues: Relapsing Disease <i>Mark A. Agius, MD (MODERATOR)</i> a. Interferons and Glatiramer Acetate <i>William R. Tjor, MD</i> b. Newer Treatments: Mitoxantrone, Natalizumab, Fingolimod and Beyond <i>John W. Rose, MD</i> c. Case Discussion: Risk/Benefit Issues <i>Michael Levin, MD</i> <i>Ruth Whitham, MD</i> <i>Ann Bateman, NP</i> <i>Kathy Tortorici, PharmD</i>	(1115) SYMPOSIUM: Bone Disease after SCI: Human Experience and Lessons Learned from Animal Models <i>William A. Bauman, MD (MODERATOR)</i> <i>William A. Bauman, MD</i> <i>Christopher P. Cardozo, MD</i> <i>Richard Shields, PhD, PT</i>	(1116): Future of Environment of Care <i>Mark Lichter, AIA (MODERATOR)</i> <i>Kenneth K. Lee, MD</i> <i>Frank Menendez, Assoc. AIA</i>	(1117) SYMPOSIUM: Pressure Ulcer Management <i>Lana McKenzie, RN, BSN, MBA (MODERATOR)</i> a. Advanced Wound Care Modalities for the Treatment of Pressure Ulcers: Improving the Standard of Care <i>Walter C. Chua, MD</i> b. Surgical Management of Pressure Ulcers <i>Karen Evans, MD</i> <i>Elizabeth Castillo Marshall, MD</i>
Noon	Lunch Break & EXPO, <i>Oceans Ballroom Expo Area</i> Regional MSCOE Luncheon Meeting, <i>Coral A/B Lobby Atrium</i>			
1:30 pm	(1118) SYMPOSIUM: MS Immunology and Progressive Disease <i>Walter Royal, MD (MODERATOR)</i> a. The Immunopathogenesis of Relapsing MS <i>Olaf Stuve, MD, PhD</i> b. The Immunopathogenesis of Progressive MS <i>Benjamin M. Segal, MD</i> c. Case Discussion: Immunology and Progressive MS <i>Robert Baumhefner, MD</i> <i>Deborah Downey, RN, NP</i>	(1119): Research Papers <i>Jill M. Wecht, EdD (MODERATOR)</i> a. Activity Dependent Rehabilitation Model: Improvements Noted in Sublesional Bone Mineral Density <i>Gail Forest, PhD</i> b. Cognitive Consequences of Autonomic Dysfunction in SCI and MS <i>Jill M. Wecht, EdD</i> c. Race-Ethnicity Health Behaviors Secondary Health Conditions and SCI <i>James S. Krause, PhD</i>	(1120): Using FES Technology to Impact Outcomes and ADLs for the SCI Population <i>Rory A. Cooper, PhD (MODERATOR)</i> <i>Jennifer French, MBA</i> <i>Kenneth Gustafson, PhD</i>	(1121) SYMPOSIUM: Topics in Respiratory Care <i>Itala M. Wickremasinghe, MD (MODERATOR)</i> a. Role Of Multi-Modal Chest Physiotherapy In Liberating Ventilator-Dependent Wounded Warriors with Low Cervical Spinal Cord Injury <i>Charles J. Gutierrez, PhD, RRT</i> b. Risk Factors and Consequences of Obstructive Sleep Apnea in SCI <i>Gregory J. Schilero, MD</i>
3:00 pm	Coffee Break & EXPO, <i>Oceans Ballroom Expo Area</i>			

Paralyzed Veterans of America's Summit 2011+Expo
