

Now you can leave home and still get help 24/7 with PVA MobileAlert — visit friends, go out to lunch or play your favorite sports with full confidence.

The Help Button that goes anywhere you go.

It's the Perfect Solution for Active Veterans!

Now you can participate in all your favorite activities and still be able to get help in the event of a sudden fall or medical emergency. MobileAlert, the medical alarm service that uses GPS technology to follow you anywhere, ensures that professional help is your constant companion.

MobileAlert is easy to use. When you push your **Help Button**, our Personal Response Associate answers your call and sends the kind of assistance you need — a neighbor, a loved one, or emergency services — to wherever you are. With GPS technology, we can send help to you even if you can't speak to us. MobileAlert also gives you and your loved ones peace of mind, knowing you can get help anywhere, anytime. With MobileAlert you're always good to go!

MobileAlert is now partnering with PVA to create a Very Special Offer for you!

\$34.95 / Month (Regular price \$39.95/month)

- Limited time offer with special code: **PVA3813**
- No home phone necessary
- No long term contract

We also offer a standard medical alert system with waterproof Help Button for a special price of \$24.95/month (Regular price \$29.95/month)

Call Today: 1-800-988-4353

"Hello, this is MobileAlert Systems. How may I help you?"

Today's GPS technology makes it all happen.

The MobileAlert Response Center sends help to you wherever you are.

Our proven GPS technology uses a sophisticated satellite-based system to update your location information. When you press your Help Button, your latest coordinates are sent to our Response Center, pinpointing your location and transmitting your unique ID.

Our trained Personal Response Associate communicates with you, assesses your situation and sends the appropriate help — to your home or wherever you are. MobileAlert also includes nationwide coverage on the AT&T network.

You can **GO** anywhere with **MobileAlert!**

PVA MobileAlert System Features:

- 24/7/365 two-way voice emergency monitoring service
- Anywhere Help Button
- Lifetime system warranty
- Charger cradle
- No landline phone necessary
- No hidden set up fees or charge for equipment
- Single button operation
- Easy installation and use
- MobileAlert package also comes with in-home Base Station and waterproof Help Button giving you the same coverage as traditional medical alert systems

Service Availability and Access/Coverage network not available everywhere and at all times. Current GPS location may not always be available in every situation.

The MobileAlert System:

Anywhere Help Button for use on the GO

Charger Cradle and in-home Base Station

Waterproof home pendant or wrist band

How MobileAlert Works

1 Push Your Button for Help

2 Your information & location are sent to the Response Center

3 Personal Response Associate begins 2-way communication and assesses situation

4 Associate contacts a neighbor, loved ones, or emergency services, based on your need
