

2009 Florida State Championship**Jim Sullivan, TD**

Liberty Lanes, Largo, FL

April 24-26, 2009

We were able to field 30 bowlers for the 47th Annual Florida State tournament. I particularly want to thank the guys that came from out of state to compete this year, all 10 of them. We also had Robert Kimrey join us as a novice completing his second tournament and thereby establishing a bona-fide adjusted tournament average to use in future events.

The doubles event fielded 10 teams and the winners were Texans Smiley Wallace and Gary Ryan besting Phillip Daniel and Al Uttecht. The singles qualifying was very competitive (Ron Johnson rolled a fantastic 279 in second set) and the top 5 scratch scores after qualifying were elevated to the scratch division roll offs. Those bowlers were not eligible for awards in the handicap divisions.

Larry Chauncey missed the scratch by only 13 pins. In the B division the difference in pins from 5th place to 10th place was only 52 pins, and in the A division the difference in pins from 5th to 10th was just 79 pins, less than a mark per game! That's pretty competitive and demonstrates how important the spares are overall.

Individual handicap honors were award Larry Chauncey "A" HHG (267), and Jim Stewart "B" HHG (244). In the "A" J.R. Arroyo won HSS (584), and in the "B" Gus Farnum HSS (471).

I want to thank Vicki Farnum, Kim Green, Nancy Roberts, and MaryAnn Templar for running the 50/50 raffles. Lee and Robert Robortella did a wonderful job in helping everyone with their equipment storage and we appreciate their efforts. I especially want to thank the FWBA and the Florida Gulf Coast and National PVA for their sponsorship of the tournament this year.

Roger Templar is planning on hosting the 48th Florida State next year on the east coast. He will be providing details in the near future as soon as he has dates. This is the last tournament I will run, except for the Florida Memorial which honors those members we have lost over the many years of the FWBA. Thanks for the support.
