The Mike Gureckas \$500 Jackpot Options:

These two options are based on the 150 targets for each day's shooting (not counting the wagon wheel event). Each shooter is eligible to compete for these jackpots by donating \$10 for each. The winners will be chosen by a five-class Lewis System, ensuring that the money will be distributed across the ability spectrum. The \$1,000 was donated by past national PVA vice president and 10-year president of CPVA, Michael Gureckas. Thanks, Mike!

Bidding for those shooters will commence at 9:15 a.m. on Saturday and Sunday at the Range Club House. Anyone can bid; minimum bid is \$10. The highest bidder wins the shooter. Any shooter who is not bought agrees to pay \$10 as purchaser. The \$10 paid by the shooter and the total amount bid for each shooter will be the Calcutta pot. There are four prizes: 50 percent, 25 percent, 15 percent, and 10 percent, with 60 percent going to the bidder and 40 percent to the shooter.

The Silent Partner Options:

These are available as separate events on both Saturday and Sunday and are based on each day's combined singles, doubles, and handicap targets. Shooters pay \$10 to participate in each day's option. Two participants' names are randomly drawn to form a partnership of two shooters. Total scores on all 150 targets by each partner are added to determine the winner of the Silent Partner pot. There are four prizes: 50 percent, 25 percent, 15 percent, and 10 percent.
